Product Information Sheet

# Orange Detergent #11

Manual dishwashing liquid

## Description

Orange Detergent #11 is specifically formulated as an economical, viscous, neutral manual dishwashing liquid designed to emulsify oily soils on surfaces.

Orange Detergent #11 is a multipurpose product that may be used in most domestic or industrial applications with confidence.

## Features and Benefits

- Orange Detergent #11 is a concentrated product
- Designed to emulsify oily soils quickly on surfaces.
- Orange Detergent #11 is a neutral product.
- Rinses away well with fresh water, leaving a brilliant finish.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds.

## Use Directions

For best results, use Orange Detergent #11 in warm water. Rinse surfaces with fresh water after cleaning operations.

| | |
|---|---|
| Light Duty Cleaning | 10-30 mL per 10 litres of water. |
| Medium Duty Cleaning | 50 mL per 10 litres of water. |
| Heavy Duty Cleaning | 75 mL per 10 litres of water. |

It is recommended gloves be worn when handling any detergent on a regular basis to avoid long term irritation effects on skin.

Refer to our safety data sheet (SDS) for more information or consult your Chemform representative for further assistance.
