

## Restore HD

Heavy duty floor and hard surface cleaner

### Description

Heavy duty floor and hard surface cleaner designed for the removal of all types of dirt and soils from modern floor finishes and is used to deep scrub most ultra-high speed floor finishes. Restore HD is a very economical and low foaming formula and leaves no dulling residue.

### Features & Benefits

- Designed for the removal of all types of dirt and soils from modern floor finishes and is used to deep scrub most ultra-high speed floor finishes.
- Is also very effective for cleaning other hard surfaces such as tables, walls and other washable surfaces.
- Restore HD does not leave any dulling residue following application. No rinsing is required.
- Handy portion control bottle makes measuring the required dose easy!
- Can be used as a daily cleaner as well as a periodic cut back product.

### Use Directions

DO NOT use the product undiluted or more concentrated than recommended below:

#### **Auto Scrubbers**

Light Cleaning: 25mL to 12 litres of water  
Deep scrubbing: 25mL to 6 litres of water

Dilute and fill tank. During application, trail mop behind auto scrubber to absorb any excess solution. Allow to dry (no rinsing required)

#### **All Other Cleaning**

Light Cleaning: 25mL to 12 litres of water  
Deep scrubbing: 25mL to 6 litres of water

Dilute and fill mop bucket, apply to surface to be cleaned and then allow to dry (no rinsing required).
