Product Information Sheet

Revive

Citrus sanitiser/deodorant cleaner

Description

Revive is a specially formulated product containing fragrances and natural citrus oils designed to sanitise non-porous, washable, hard surfaces and leave the area smelling clean and fresh. Revive is suitable for use in toilets, washrooms, bars, food and garbage disposal areas, rubbish bins, drains, animal houses and other areas where odours are a problem.

Features and Benefits

- It is suitable for use on non-porous, washable, hard surfaces.
- When used in accordance with label directions, this product is not expected to adversely impact septic tanks and sewerage treatment plants under normal use conditions.

Use Directions

General Cleaner

Mix 20mL - 50mL of Revive per litre of water. Spray or mop the area. Remove any excess moisture. Allow to air dry. There is no need to rinse surfaces treated with Revive.

Air Freshener

Add 50mL of Revive to a spray bottle. Fill up with fresh water. Adjust nozzle to produce a fine mist and spray in the air.

Safety Information

Refer to our safety data sheet (SDS) for more information or consult your Chemform representative for further assistance.

Packages

2x5L, 20L
