Product Information Sheet

Squeek

Premium manual dishwashing liquid

Description

SQUEEK is a concentrated manual dishwashing liquid with more cleaning power that will cut through baked on foods, oils and grease, whilst using significantly less than other conventional products.

Features and Benefits

- SQUEEK has been formulated for fast, economical and effortless cleaning of all hard surfaces.
- Very economical product. SQUEEK is a concentrated product and is over twice the strength of many commonly used brands. A small amount produces a lot of cleaning power.
- SQUEEK produces an excellent long lasting lather and leaves a clean, fresh smell.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds and will not be detrimental to marine life when used in accordance with label directions.

Use Directions

SQUEEK has numerous applications. It can be used in dishwashing, upholstery cleaning, hard surface and wall cleaning. It may be used extensively in kitchens for cleaning tables, chairs, bench tops, windows and sinks. SQUEEK can be used to remove oil and grease and general soils from vinyl, wood or linoleum floors.

For best results, use SQUEEK in warm water at the following usage rates:

Light Duty Cleaning	5-15 mL per 10 litres of water
Medium Duty Cleaning	25 mL per 10 litres of water
Heavy Duty Cleaning	40 mL per 10 litres of water

Rinse surfaces in fresh water after cleaning operations.

Safety Information

SQUEEK is classified as HAZARDOUS according to the Globally Harmonised System of Classification and Labelling of Chemicals (GHS) criteria of Safe Work Australia and is classified as a NON-DANGEROUS GOOD according to the Australian Dangerous Goods Code.

Refer to our safety data sheet (SDS) for more information or consult your Chemform representative for further assistance.
