Triple 4 50%

Multipurpose, quick breaking, water-based cleaner & degreaser

Description

Triple 4 50% is Triple 4 at half strength. It is a multipurpose heavy duty cleaner and degreaser ideal for vehicles, engine bays, escalator & travelator steps, carparks and all washable, non-porous hard surfaces.

Features and Benefits

- Excellent cleaning power in brushless equipment cleaning.
- Will remove light hydraulic oil and engine oil.
- Safer alternative to traditional acid-based cleaners.
- Ideal for removing brake dust off the rims (use at the Light Soil/Vehicle Cleaning rate only).
- Leaves steel and stainless-steel surfaces bright and clean.
- Low foaming product eliminates the need for multiple rinsing.
- Non-caustic and contains no hydrocarbon solvents, phosphates, carcinogens or alkyl phenol ethoxylates.
- When used in accordance with label directions, this product is not expected to adversely impact septic tanks and sewerage treatment plants under normal use conditions.

Use Directions

Triple 4 50% is a very versatile product. Dilution rate varies depending on soiling. As a guide:

Heavy Soil/Engine Oil Removal	Mix 200mL to 1L of potable water (1:5)
Medium Soil/Light Oil/Grime	Mix 100mL to 1L of potable water (1:10)
Light Soil/Vehicle Cleaning	Mix 50mL to 1L of potable water (1:20)

Apply to the soiled surface, agitate where necessary, and rinse thoroughly with clean, potable water after use.

Safety Information

Refer to our safety data sheet (SDS) for more information or consult your Chemform representative for further assistance.
